WHOLESALE ONLY

HISTORY: Founded 1912 by Frank C. Hetz and operated as sole proprietorship until 1928, when a partnership was formed with his four sons and daughter. The business was incorporated in 1961, and is operated by the remaining three sons, A. Leroy Hetz, Clifford B. Hetz, Neil R. Hetz, and a daughter; Mildred Hetz Bendure. Five of the founders grandsons are now active in the business.

TERMS: 5% discount allowed if remittance accompanies order, or when paid on delivery. 2% discount if paid within ten days, or 30 days net. Terms extended where credit has been established. Boxing or baling is additional at cost.

GUARANTEE: No complaints honored unless made within five days after receipt of goods. All material to be in first class condition when shipped. NO GUARANTEE GIVEN AS TO GROWTH OF MATERIAL.

RATES: 5 to 24 sold at 10 rate; 25 to 199 at 100 rate; 200 or more at 1000 rate. Where less than 5 are ordered add 10¢ on shrubs and 50¢ on evergreens and shade trees for the single rate.

LOCATION: We are located at Fairview in the fertile garden belt, two miles from Lake Erie, and twelve miles west of Erie, in northwestern Penna.. The office is located at 131 East Water Street, and packing barns at 13 East Main Street, on US 20. Route 98 Interchange crosses Interstate East and West Thruway No.90, two miles south of Fairview.

CERTIFICATION: All orders shipped outside Japanese Beetle Quarantine Zone automatically certified. Certification within Quarantine Zone upon request only.

SHIPMENTS: We arrange for bulk shipments of B&B stock by independent truckers who specialize in hauling nursery stock. On liner orders give SPECIFIC SHIPPING DIRECTIONS. We do not recommend commercial truck shipments especially if more than one line must handle. Railway Express, in spite of cost, is more satisfactory. On large orders of liners in areas served by our truckers, we will ship in bulk. When doing this, stock will be packed in rolls with no charge for packing. Delivery usually is made the next day as trucks leave in the evening and travel through the night. Trucking charges must be PAID ON DELIVERY.

WE EXTEND YOU A HEARTY INVITATION TO COME AND SEE OUR STOCK.

SUNDAY BUSINESS NOT TRANSACTED.

WHOLESALE PRICE LIST

ORNAMENTAL SHADE TREES

Dug bare rooted unless noted. Most of our shade trees are grown on gravel soil and dug with mechanical diggers which results in excellent heavy fibrous root systems. Try us for your shade tree needs.

 Taxus Media Pyramidalis 7 yr. TTT 10-15"
 Taxus Media Hicksi 7 yr. TTT 10-15"
 Taxus Cusp. spreading 7 yr. TTT 10-15"
 See prices at top of page.

Here Ted Hetz points out a typical *Taxus Cusp. Capitata*, 7 yr. TT 12-15". This is a good semi-finished grade for sales lot which we dig B&B at \$1.75 each in thousand lots.

Block of *Taxus Brownii* mostly 15-18" being checked by Neil Hetz. These nicely sheared, root pruned trees are some of the best we've ever had.

Richard Hetz, eleven years of age, poses with our introduction, the Original Jun. Chin. Glauca Hetzi now well over 30 years old. The progeny of this tree is now growing throughout the world.

Juniper Chinensis Glauca Hetzi, well sheared, root pruned specimens 15 - 18" and 18-24". New lower prices now in effect.
